Dear Mr. Posthumus

EXTENSION OF ACCREDITATION FOR TRANSVAAL TRAINING (PTY) LTD

The Mining Qualifications Authority (MQA) is a tripartite statutory body established by the Mine Health and Safety Act of 1996. In April 2000, the MQA was registered by the Minister of Labour as a Sector Education and Training Authority (SETA), in terms of the Skills Development Act of 1998.

The MQA has also been delegated quality assurance functions in terms of section 26l (2) of the Skill Development Amendment Act (SDA) 37 of 2008 and the Quality Council for Trades and Occupation (QCTO) delegation policy of 11 June 2011.

The MQA through its delegated Qualification Assurance functions must *ensure inter alia* that the Mining and Mineral sector has accredited providers that will maintain the quality of standard, qualifications and learning provision.

This letter serves to inform you that the office has reviewed your current accreditation expiry date. The current expiry date of **29 May 2014** has been extended to **29 August 2014**.

The Quality Assurance Sub Committee of the MQA will conduct a compliance audit before the end of the Accreditation extended period.

Kind regards,

Mr. Robert Mukhari
ETQA Manager
